Case

INTRODUCTION

I.

The Roman Catholic Archbishop of San Francisco (the "RCASF" or the "Debtor"), the debtor and debtor in possession in the above captioned bankruptcy case (the "Bankruptcy Case"), hereby moves this Court (the "Motion"), on an emergency basis, for entry of an order in substantially the form appended to the Motion as Exhibit 2 (the "Order"), (i) establishing notice procedures, (ii) authorizing the Debtor to file confidential information under seal, and (iii) temporarily suspending the deadline for non-government creditors to file proofs of claim (the "Bar Date"). Given the large number of potential creditors and claimants, most of whom consist of alleged and actual abuse survivors, the Debtor seeks permission to limit notice and also to file certain confidential information under seal given the particularly sensitive nature of claims, survivor identities, and other matters in this Bankruptcy Case. The Debtor also seeks to suspend temporarily the Bar Date to provide the Debtor with sufficient time to employ a claims agent and formulate a Court-approved, streamlined claims submission process. Thereafter, non-government creditors should be afforded ample time to file claims under the streamlined process. This Motion is based on the discussion below, the Declaration of Joseph J. Passarello in Support of Chapter 11 Petition and First Day Motions ("Passarello Background Decl."), the Declaration of Paul E. Gaspari in Support of Chapter 11 Petition and First Day Motions ("Gaspari Decl."), and the Declaration of Joseph J. Passarello filed in support of this Motion ("Passarello Decl."), all relevant papers of record in these proceedings, and such further pleadings, evidence, and argument as may be presented in connection with this Motion. In further support of this Motion, the Debtor respectfully represents as follows:

II.

RELIEF REQUESTED

For the reasons set forth below, the Debtor requests entry of an order limiting notice of various matters only to the affected parties as described herein. Further, the Debtor also requests permission to file the schedules, any other pleadings, and proofs of service to the extent they contain non-public names of abuse claimants and potential abuse claimants under seal. Finally, the Debtor

seeks an order temporarily suspending the deadline for non-government creditors to file proofs of claims (*i.e.*, the Bar Date).

The statutory predicates for the relief requested herein are Rules 2002, 3002 3003(c)(3), 9006(b), and 9018 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), Bankruptcy Local Rules for the Northern District of California (the "B.L.R." or "Bankruptcy Local Rules"), sections 105(a), 107(b), and 501 of title 11 of the United States Code¹, and this Court's Procedures for Filing Redacted or Sealed Confidential or Highly Sensitive Documents, effective February 7, 2022.

The Debtor does not, by filing its petition for relief and other documents in this Bankruptcy Case, waive any of its rights under any applicable law, including, without limitation, the Code of Canon Law, the First Amendment of the United States Constitution, the Constitution for the State of California, California's law on corporations sole (California Corporations Code §§ 10000-10015), the Religious Freedom Restoration Act, the church autonomy doctrine, charitable trust law, California trust law, and the right to object to disclosure of information and to contend that certain assets discussed in the Motion are not property of the estate.

III.

JURISDICTION

This Court has jurisdiction over this case and this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding within the meaning of 28 U.S.C. §157(b)(2)(A). Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

IV.

BACKGROUND

On August 21, 2023 (the "<u>Petition Date</u>"), the Debtor filed a voluntary Chapter 11 petition. The Debtor remains in possession of its estate, and no trustee or examiner has been requested or appointed in this Bankruptcy Case. The Debtor continues to operate and manage its business and financial affairs as a debtor in possession under Bankruptcy Code sections 1107 and 1108.

¹ Unless otherwise indicated, all section references in this Motion shall be to 11 U.S.C. §§ 101. *et. seq.* (the "Bankruptcy Code").

Case

The Debtor filed this Bankruptcy Case to reorganize its financial affairs pursuant to a plan of reorganization that will, among other things, fairly, justly, and equitably compensate survivors of sexual abuse by clergy or others associated with the RCASF and bring healing to survivors, parishioners, and others affected by past acts of sexual abuse. See Passarello Background Decl., Gaspari Decl., and Passarello Decl. at ¶ 4.2 The RCASF requires protection under the Bankruptcy Code and Bankruptcy Rules to make fair and equitable payment on all of the claims against it, including claims by survivors of abuse, trade creditors, and others, while continuing its ministries and support of the Non-Debtor Catholic Entities (defined below) and faithful in the ordinary course.

The Archdiocese of San Francisco ("Archdiocese")³ was canonically established on July 29, 1853, by Pope Pius IX. The current Bishop of the RCASF is Archbishop Salvatore Cordileone, who was appointed on July 27, 2012. The Archdiocese now includes 88 parishes, some of which have missions associated with them ("Parishes"), and consists of approximately 442,000 Catholics in the counties of San Francisco, San Mateo, and Marin and covers approximately 2,325 square miles. Archdiocesan priests and permanent deacons, along with priests, brothers and nuns from multiple religious orders serve the Parishes, Schools (defined below), Catholic hospitals and do other outreach within the Archdiocese.

The primary role of the RCASF is to provide resources, spiritual leadership, direction, support, planning, programming, leadership development and other services to individuals of the Roman Catholic faith, the 88 Parishes, four Catholic high schools (Archbishop Riordan High School, Sacred Heart Cathedral Preparatory, Marin Catholic High School and Junipero Serra High School (collectively, the "High Schools")), numerous elementary schools and various private schools (collectively, the "Schools"), cemeteries ("Cemeteries") and various other Catholic-based social and community service organizations that operate within the Archdiocese.

As a religious organization, the RCASF has no significant ongoing for-profit business activities or business income. The RCASF's receipts principally come from the Archdiocesan

² Unless otherwise defined in this Motion, capitalized terms shall have the same meanings ascribed to them in the Passarello Background Decl., the Gaspari Decl., and the Passarello Decl.

³ The term "<u>Archdiocese</u>" is used herein exclusively to refer to the geographic territory under the jurisdiction of the RCASF which includes the areas of Marin, San Francisco, and San Mateo Counties, and the terms RCASF or Debtor are used herein exclusively to refer to the secular legal embodiment of the Archdiocese.

annual appeal (held in trust for named ministries only), fees for services provided to the Non-Debtor Catholic Entities (defined below), donations, grants, and RCASF ministry revenue. The RCASF's fiscal 2023 operating budget is approximately \$55 million. The RCASF operates on a fiscal year ending June 30.

Additional information regarding the circumstances leading to the commencement of this Bankruptcy Case and information regarding the Debtor's operations and structure are set forth in the Passarello Background Decl.

V.

BASIS FOR RELIEF

Limited Notice Procedures

Bankruptcy Rule 2002(m) provides that the court may, from time to time, enter orders designating the manner in which notices may be sent, and the entities to whom notices may be sent. Bankruptcy Rule 2002(i) provides that:

... the Court may order that notices required under subdivision (a)(2), (3) and (6) of this rule to be transmitted to the United States trustee and be mailed only to the committees elected under § 705 or appointed under § 1102 of the Code or to their authorized agents and to the creditors and equity security holders who serve on the trustee or Debtor and file a request that all notices be mailed to them. A committee appointed under § 1114 shall receive copies of all notices required by subdivisions (a)(1), (a)(5), (b), (f)(2) and (f)(7), and such other notices as the court may direct.

Fed. Bankr. R. Proc. 2002(i). Courts in similar religious organization cases have recognized the importance of limited notice in chapter 11 cases and have granted similar debtors' motions to limit notice. See, e.g., In re The Roman Catholic Bishop of Santa Rosa, Case No. 23-10113, ECF No. 172 (Bankr. N.D. Cal. 2023); In re Roman Catholic Bishop of Oakland, Case No. 23-40523, ECF No. 71 (Bankr. N.D. Cal. 2023); In re Roman Catholic Bishop of Stockton, Case No. 14-20371, ECF No. 67 (Bankr. E.D. Cal. 2014); In re The Roman Catholic Church of the Archdiocese of New Orleans, 20-10846, ECF No. 22 (Bankr. E.D. La. 2020).

Currently, well over 1,000 creditors and parties in interest may technically be entitled to receive notice in this Bankruptcy Case. To require the Debtor to provide notice of all pleadings and other papers filed in this Bankruptcy Case to all these parties in interest, no matter how limited their

interests may be with respect to a particular matter, would be extremely burdensome and costly to the estate due to photocopying and postage expenses, as well as other expenses associated with such large mailings. For example, the copying and postage cost to serve a fifteen-page pleading packet on all approximately 1,600 creditors and parties in interest is approximately \$6,500.00. Passarello Decl., at ¶ 6.

The Debtor proposes to establish a limited service list (the "Limited Service List"), which would include the following parties in interest: (i) the Office of the United States Trustee for the Northern District of California (the "U.S. Trustee"); (ii) the Debtor; (iii) the Debtor's attorneys; (iv) the Debtor's 20 largest unsecured creditors or the attorneys for any statutory committee appointed by the U.S. Trustee (the "Creditors' Committee"); (v) the attorneys for any other committee appointed by the U.S. Trustee; (vi) the attorneys for the Debtor's pre-petition secured creditors, if any; (vii) those parties that have formally appeared by filing a Notice of Appearance, a Request for Notice, or similar documents and requested notice in this Bankruptcy Case under Bankruptcy Rule 2002; and (viii) the Internal Revenue Service and corresponding state agencies, as well as other governmental agencies, to the extent required by the Bankruptcy Rules and the Bankruptcy Local Rules. Consistent with the relief requested in this Motion, the Debtor has prepared a proposed Initial Limited Service List, a copy of which is attached to the Motion as Exhibit 1 and incorporated herein by reference.

The proceedings with respect to which notice would be limited to the Limited Service List would include all matters covered by Bankruptcy Rule 2002, with the *express exception* of the following: (i) notice of the first meeting of creditors pursuant to section 341 of the Bankruptcy Code; (ii) notice of the time fixed for filing proofs of claim pursuant to Bankruptcy Rule 3003(c) (*i.e.*, the Bar Date); (iii) notice of the time fixed for filing objections to, and the hearing to consider approval of, a disclosure statement or confirmation of a plan of reorganization; and (iv) notice and transmittal of ballots for accepting or rejecting a plan of reorganization. The Limited Service List also would be used for proceedings in addition to those matters described in Bankruptcy Rule 2002 that may be required by the Bankruptcy Local Rules to be served upon all parties in interest.

Subject to Court approval, counsel for the Debtor will serve a copy of the Order approving this Motion on all creditors and parties in interest as soon as practicable upon its entry. A proposed form of Order is attached to this Motion as Exhibit 2. Upon entry of the Order, Debtor will serve it with instructions on how a party in interest may request inclusion on the Limited Service List by submitting such request in substantially the form attached to this Motion as Exhibit 3 (the "Notice Request Form").

With respect to matters to be heard on regular notice, the Debtor proposes that notice be deemed sufficient if served, via first class mail, overnight delivery, electronically by facsimile or email, or electronically by the Court's Case Management/Electronic Case Filing System ("ECF Service") upon the Limited Service List. Any motion or application that requires emergency or expedited relief would be served by email, facsimile, personal delivery, messenger, overnight delivery, service electronically by ECF Service, or as directed by the Court to the parties to whom notice of the motion or application is required to be given under the Bankruptcy Rules or the Local Rules.

The Debtor also proposes that if any person or entity has filed a request for notice, such party is deemed to have consented to service of notice electronically by ECF Service (if so registered) and/or by email or facsimile if provided in the request for notice. Any such party that is properly served by ECF Service or other reliable electronic means will be deemed served upon execution of such ECF Service or electronic service.

The Debtor will update the Limited Service List to include those persons or parties who have made a written request to be included on the Limited Service List: (i) whenever the Debtor files a motion; (ii) every seven (7) days during the first thirty (30) calendar days of this Bankruptcy Case; and (iii) monthly thereafter throughout the pendency of this Bankruptcy Case to include the name and address of any party in interest that has made a written request for notice since the Limited Service List was last updated. Such updated Limited Service List will be filed with the Court and circulated to all parties appearing on the Limited Service List only in the event that there is a change to the Limited Service List.

submit to the Court an affidavit or certificate of service and an attached list of parties to whom notice was given in accordance with the Bankruptcy Local Rules.

B. Confidentiality Procedures

The Debtor requests permission to file under seal any document containing the names of abuse claimants or potential abuse claimants. Bankruptcy filings are public records and easily accessible, and this Bankruptcy Case presents extraordinary privacy concerns. The Debtor submits that such parties may prefer not to have their names associated with making claims of abuse. For example, virtually all of the lawsuits filed alleging abuse are filed in the name of a Doe plaintiff, indicating that such information is considered sensitive and confidential. The Debtor makes this request out of respect for the confidentiality of the claimants and the unusually public nature of bankruptcy proceedings.

Upon the completion of noticing of any particular matter, the serving party or its agent will

The Debtor asserts that the relief requested in this Motion is in the best interests of its estate and its creditors and will not prejudice the rights of any party in interest in this Bankruptcy Case. Subject to Court approval, the Debtor intends to employ a noticing agent in this Bankruptcy Case and will file a separate application to this effect. If approved, the noticing agent will post copies of all pleadings filed by any party on a website to allow free, public access to all pleadings on the docket in this Bankruptcy Case.

C. Temporary Suspension of Deadline for Filing Proofs of Claim

Bankruptcy Rule 3003(c)(3) provides that the court shall fix the time within which proofs of claim must be filed in a chapter 11 case "and for cause shown may extend the time within which proofs of claim or interest may be filed." Fed. R. Bankr. P. 3003(c)(3); see also Prestige Ltd. P'ship v. E. Bay Car Wash Partners (In re Prestige P'ship), 234 F.3d 1108, 1118 (9th Cir. 2000) (stating that Bankruptcy Rule 3003(c)(3) requires the bankruptcy court to fix the time within which a proof of claim may be filed; In re Smartt Constr. Co., 138 B.R. 269, 271 (D. Colo. 1992) (stating that Bankruptcy Rule 3003 "expressly authorizes the bankruptcy court to extend the time for filing proofs of claim" in chapter 11 cases). Additionally, Bankruptcy Local Rule 3003-1 provides that the deadline for non-government unit creditors to file proofs of claim shall be 90 days after the initial

date set for the section 341(a) meeting of creditors "[u]nless otherwise ordered by the Court[.]" B.L.R. 3003-1.

Typically in this district, the deadline for filing proofs of claim in a bankruptcy case is automatically set at the commencement of the case. If a Bar Date has already been set in this Bankruptcy Case, cause exists to vacate and temporarily suspend and extend the Bar Date beyond the time proscribed by Bankruptcy Local Rule 3003-1. If the Bar Date has not yet been set in this Bankruptcy Case, cause exists to order that no Bar Date be set pending the filing of a motion to establish claims procedures by the Debtor.

The Debtor likely has well over 1,000 non-government parties in interest/creditors, consisting mainly of alleged abuse claimants who have filed suits against the Debtor. Under the special circumstances of this Bankruptcy Case, the Debtor anticipates seeking authority to hire a claims agent and implement a detailed claims procedure, including the filing of confidential, specialized proof of claim forms with the claims agent. The Debtor will consult with the Creditors' Committee, if one is appointed by the U.S. Trustee, and the Debtor's insurers regarding the proposed procedures for filing claims in this Bankruptcy Case. The Debtor anticipates filing an application to approve a claims and noticing agent (the "Claims/Noticing Agent Application") and, once the Creditors' Committee has been appointed, a separate motion to approve specialized claims procedures (the "Claim Procedures Motion").

To avoid confusion and inefficiency, the Debtor requests that the Court vacate the current Bar Date and to reset the Bar Date pursuant to the anticipated Claim Procedures Motion. Vacating and temporarily suspending the Bar Date to allow for a more comprehensive claims procedure is essential so that creditors are not confused about the proper procedures for filing claims. The Debtor shall provide notice of the vacating of any Bar Date already set upon entry of the Order approving the relief requested in this Motion, if any.
